Head Teacher: Mr. P. Craig
Friday, 15th October 2021

Dear Parents/Carers,

Improving parental engagement in mathematics

A huge thank you to those parents who completed the 'Improving parental engagement in mathematics' survey at the end of the summer term. We were delighted to receive such a huge response and invaluable feedback. In response to the feedback, the following will be posted on the school websites.

	To be posted by
A PowerPoint outlining the Autumn term schemes of learning for each year group. We will repeat this for the Spring and Summer terms.	22/10/2021
Video recordings to share with you the most common mathematical methods used to teach mathematics.	22/10/2021
Video recordings to share with you some of the best free online mathematics resources to support your child with their mathematics.	22/10/2021
A video recording to share with you some of the best mathematics games/puzzles that you can use with your child to make mathematics fun.	12/11/2021
A video recording to share ways in which you can discuss real life mathematics problems with your child in order to make mathematics more relevant to real life.	12/11/2021

If you would like any further information, please don't hesitate to get in touch.

Yours sincerely

Mr P Charlton
Maths lead
