Dear Parents/Carers,

Following on from the recent news surrounding COP26, our School Council has pledged to become more involved in initiatives that will make a positive difference in our local community. In addition to promoting how our school is becoming more environmentally friendly and raising awareness of this important global issue.

Pupils in Year 5 and the School Council will take part in a litter pick around school grounds and the surrounding area on Thursday 25th November from 1.15pm - 3.00pm.

Please ensure your child is wearing suitable clothing, a warm coat, wellies/sensible shoes and gloves.

After this initial session, our School Council hopes that this is something we can continue longer term across the community.

Yours sincerely

*R. Hunt*
