### **Winter Book Trail - 'Seek the stories, Crack the code'**

Dear Parents/Carers,

Due to the success of our Book Trail during the October Half Term holidays, we have planned a second book trail to take place in the Christmas break from school. To take part in the new book trail, named 'Seek the stories, Crack the code' this is what you have to do. Stories have been hidden around the Fellgate estate. To enable all children to take part, and to abide by the current guidelines and protect our families and our books, these stories are pre-recorded by the staff in school and are in the form of QR codes.

When you find a QR code, you use your electronic device to scan the code. You simply open your camera setting and hold it in front of the code. This will give you a link to the story. You can then go home and watch/ listen to the story at your leisure. At the end of the story, you will be told a letter of the alphabet. You must remember this letter and note it down on the sheet provided. When all of the stories are found, you will be able to use all of the letters to 'Crack the code' and decipher the hidden message. There are **22** stories to find. As with the

previous Book Trail, you can send in clues as to where you found the stories via our media email, and these will be shared on our Facebook page. This will help other children on their book trail adventures.

Please send in photographs too - we loved seeing you all enjoying this activity the first time around. Send them to [media@stjosephsjarrow.co.uk](mailto:media@stjosephsjarrow.co.uk)

**Good Luck! I wonder who will be the first person to 'crack the code'?**

Please remember, if you do not live on the Fellgate Estate, then you can still take part with your family by driving to school and leaving your car in the church car park. Encourage other children and families you may know to take part too.

**Do not forget to send a picture and a clue to [media@stjosephsjarrow.co.uk](mailto:media@stjosephsjarrow.co.uk) as to where they have found the book.**

**Spreading a little joy, excitement and a love of reading together as a community.**

Thank you

*Mrs Bertram*
