

Reception New Starters 2022

Dear Children,

I am sending you some information about your new school.

My name is Mrs Bertram and I will be your teacher.

This is Miss Doran.
She will be helping us in the
classroom.

This is Mrs Ray. She will be helping us in the classroom too.

We are very excited to meet you all and
get to know all about you.

Your new uniform will look like this

If you hold your camera to the QR code below you will see Mrs Bertram
take you on a tour of your new classroom and outdoor area. We hope you
like it.

I have attached some pictures which you can use to make a booklet about
your new school if you would like to. You can show your grown ups and
other people who you love what your new school will be like.

We are looking forward to meeting you all really soon.

Love Mrs Bertram and the Reception Staff xxx
