Key stage 2 Provisional Results
School, BCCET and national comparisons
September 2022

These are the first key stage 2 attainment statistics since 2019, after assessments were cancelled in 2020 and 2021 due to the pandemic. These statistics cover the attainment of our year 6 pupils (cohort of 30) who took assessments in summer 2022.

These pupils experienced disruption to their learning during the pandemic, particularly at the end of year 4 and in year 5.

St Joseph's pupils achieved higher than the national average in all subjects.
