Head Teacher: Mr. P. Craig  
Friday 30th September

Dear Parents/Carers,

Today you will have received (both in paper form and on Google Classroom) a copy of the curriculum coverage for your child's class in the Autumn term. This identifies the unit that is being taught in each curriculum area within each year group.

To go alongside this, there is further information about each curriculum area on our school website. Each subject has:

- a Curriculum Overview - this identifies the complete coverage of the curriculum area from Y1 to Y6 (and often within Nursery and Reception). It also explains the intent, implementation and impact of each curriculum area
- a Curriculum Narrative - this explains the 'journey' of the curriculum area from our youngest pupils up to our oldest.

The curriculum has been created in order that our pupils are ready for secondary school. They will be equipped with the skills and knowledge to tackle the Key Stage 3 curriculum in each subject area.

To access the curriculum pages, go to [www.stjosephsjarrow.co.uk](http://www.stjosephsjarrow.co.uk), click on the curriculum tab and then click on the appropriate curriculum area on the left of the drop down list.

We hope that you find these both useful and informative and that you can use them to support your child's learning.

Yours sincerely

Mr P Craig  
Headteacher
