

Dear Mr Craig.

We are writing you this letter to ask you and our school for help. We are asking if it would be possible if our school could wear Red For CHUF Day on the 17th February and ask for £1.00 donations.

This would mean alot to us as a family as CHUF helped Jake so much as a baby and will continue to do so and also helps so many more children around the country with Heart defects. Any little donation helps and goes a long way.

Thank you

Sophia, Noah and Jake Jerry.
