Dear Parents/Carers,

To celebrate the continued growth of Girls Football across the country and within South Tyneside we would love to see as many girls as possible take part in this year's girls **BIGGEST EVER FOOTBALL SESSION**. Our aim is to get as many girls as possible in school all playing football on the same day!

The FA are hopeful that more girls than ever will take part in this initiative, beating last year's superb number of 90,000!

On **Wednesday 8 March 2023**, Mrs Whalen and Mrs Ray will be running football activities, during the school day, for any girls in Key Stage 1 and Key Stage 2 who would like to take part. This is open to all girls, no matter their ability level, whether they play for a team or have never played before. The more the merrier!

If your daughter would like to take part, they will simply need to have their PE kit and trainers in school on this day.

We look forward to taking this further step to ensure equal access for girls in football within our school and working with the girls on such a fun day!

Yours sincerely

Mr P Craig
