Dear Parents/Carers,

Lego Club (Y1 - Y6)

Mrs Bertram will be starting a lego club after the holidays. The club will run until the end of term and will take place on a Monday evening 3.15-4.15. There will be a limit to 15 spaces due to the quantity of lego available. The club will be suitable for children from Y1 to Y6.

The main aim of the club will be to further develop construction and engineering skills, develop teamwork, shared thinking and creativity whilst having fun. If this club is successful, we will look into extending it into the next school year. Please book your child's space on ParentPay. There is no charge for this event.

Thank you

Yours sincerely

Mrs K Bertram  
Deputy Head
