

# Behaviour

**in St Joseph's Catholic  
Primary School**

In God's love we learn and grow

*Pupil  
Version*

Our **expectation** is that the pupils and adults of St Joseph's will display exceptional standards of behaviour and treat other people as they would wish to be treated themselves.

This is what we mean in our Mission Statement:  
**We hope to “Act justly, Love tenderly, Walk humbly with our God.”**

Most of the time, we all behave wonderfully, and get rewarded for it. This could be through being thanked by your friends or an adult. You might be given a sticker or a certificate, or you might even receive a special award like Pupil of the Week, the Kindness Award or be chosen for Hot Chocolate and Cookies! These are all rewards for showing your good behaviour.

You might also be given a responsibility, showing that you can be trusted. You might be a Buddy, an ambassador, or a member of the School Council.

If you are showing one of our **SCHOOL VALUES**, you might even get a House Point, which will go into your House Pot in the hall. Remember, you can make a difference.

**Kindness - Respect - Collaboration - Gratitude - Effort - Responsibility**  
**Curiosity - Creativity - Honesty - Resilience - Bravery**

To help you with your behaviour, we have

# GOOD TO BE GREEN

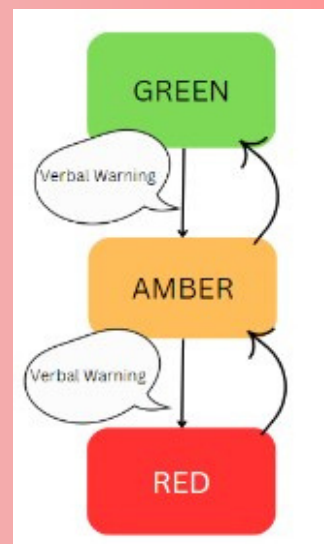

This is in all classes, from Nursery to Year 6, and this makes sure that everyone knows our rules.

Each of you starts the day in the **green** zone in your class. It is a 'new start' for everyone. We expect that you will stay in that zone all day, all week, all term and all year! This means that you are behaving just like expected! You might even end up on the sparkling star if you show **AMAZING** behaviour!

Sometimes though, people make the wrong decisions. They may disrupt lessons, hurt their friends or be disrespectful. If that happens, they will get a warning. If their behaviour doesn't improve, they will have to move themselves to the **amber** zone. Once a pupil has moved into this zone they can move out, and back to **green**, if their behaviour improves.

If their behaviour continues to be poor, they will have to move to the **red** zone. This means they will have to join the **'Sorry Club'** during the next lunchtime.

During **'Sorry Club'**, they will have to think about what they have done, how they feel and what they will choose to do next time.

# GREEN TREAT

- At the end of each half term, you will be rewarded for your great behaviour. All children who have been in **GREEN** for all half term will take part in a fun activity on the Friday.
- If some children have ended the school day on **AMBER** on more than three occasions, they will have to miss 5 minutes of green treat.
- If they have been on **AMBER** on six occasions or more then they will miss more of their treat.
- Children who have been placed in **RED** more than twice will also miss a large part of treat.

If you still have any questions about our behaviour, please ask your class teacher. They are experts!
