Tuesday, 5th September 2023

Dear Parents/Carers,

Welcome Back to St Joseph's Primary!

I hope this letter finds you and your families safe and well. As a wet Summer comes to an end and the Autumn sun begins, it was with great joy that we welcomed back our wonderful pupils for another exciting school year!

Our school is buzzing with excitement as we prepare to create memorable learning experiences for our children. We have missed their laughter, curiosity, and enthusiasm filling our classrooms, and we loved seeing their smiling faces back in classrooms once again. As always, we are dedicated to providing the highest standard of education and ensuring a safe and nurturing environment for your children.

Our team of passionate and skilled teachers have been busy planning a range of exciting activities and projects that will ignite their imaginations and fuel their love of learning. From cross-curricular adventures to engaging practical experiments, we have a curriculum that will captivate and challenge your child every step of the way. Further information on exactly what your child will be learning this term, as well as how you can support them, will be shared at the end of the week. We believe that learning should be a thrilling voyage of discovery, and we can't wait to embark on this journey together.

In addition to our academic pursuits, we are committed to fostering strong partnerships with our parents and the wider community. We value your involvement and encourage open communication throughout the school year. Please keep an eye out for our regular newsletters, parent meetings, and opportunities to participate in school events. Dates for the term will be shared during the week, and will be constantly updated and shared during the term.

As we begin this new chapter, I want to assure you that the well-being and happiness of your child remains at the heart of everything we do. Our dedicated Child Wellbeing Lead is always available to provide support, and we have further enhanced our safeguarding measures to ensure their safety.

Please do not hesitate to reach out if you have any questions, concerns, or suggestions. We firmly believe that by working together, we can provide the best possible education and experiences for your child.

Once again, a warm welcome back to St Joseph's Primary School. Let's make this a year to remember!

Yours sincerely

Mr P Craig
