**Dear Parents and Carers**

Our school planters are starting to blossom with new plants, bringing vibrant life to our grounds. Watching these seedlings grow, just like our pupils, is truly inspiring!

**Parent Communication Survey**

Thank you for the responses we received for our communication survey. The results showed that most responders were happy with the level and variety of communication from school. However, most welcomed a weekly rather than fortnightly newsletter, so here you go!

**Open Morning**

Our Open Mornings have been extremely popular so far and hopefully you have found them informative and helpful. We have two sessions next week, for Year 3 and Year 5, and you are in for a treat! Mrs Morton has used some of the onions that have been grown in our flower garden to make delicious onion soup. This will be available to all who attend next week's open morning.

**MacMillan Coffee Morning**

Well done to Mrs Arthur and some of our Y6 pupils for organising the MacMillan Coffee Morning. We raised a lot of money for this worthy cause and will let you know the amount next week. Congratulation to Jemma (Thea's Mam) and Mrs Storey who won the raffle, and to all the bingo winners!

**Admissions**

Please see information below regarding how to apply for places in our Nursery and Reception. Thank you to those who attended our Open Evening on Wednesday.

**Reading Club**

Our reading club, led by the amazing Mrs Ball, takes place every morning from 8.20am. Please feel free to come along and spend a little time reading with your child if you can!

Take care,

Mr P Craig (thankful that not too many Sunderland supporters have goaded me this week!)
